

CHAPTER 10

Mr Fox pushed the wood up.

“Hurrah!” he cried. “We’re here!”
And there, in front of them
were hundreds of chickens!
They were in Boggis’s chicken house!

Mr Fox killed three chickens
and gave them to his oldest child.
“Take these to your mother,” he said.

CHAPTER 11-12

Mr Fox went back into the tunnel and pulled the wood down after him.
“Now we dig a second tunnel,” he said to the three Small Foxes.

Suddenly, they heard a noise. It was Badger.
“We’re all hungry, Fox,” Badger said. “We can’t get out.

There are men with guns up there. It’s your fault. They’re looking for you!”
“Badger, bring your family and friends to my house.
We’ve got a lot of chickens!”
