

Fantastic Mr Fox - Chapter 10-11-12 Worksheet

Let's practise to make some questions in English with these words:

What Who When Where Why How many

Here are some questions about the story we are reading. But the words are all mixed up! Make some questions from them! Put the words in the right order and write them on the line. You can see the answers to give you a clue.

Don't forget to start your question with a capital letter and end it with a question mark. (?)
