

## CHAPTER 13

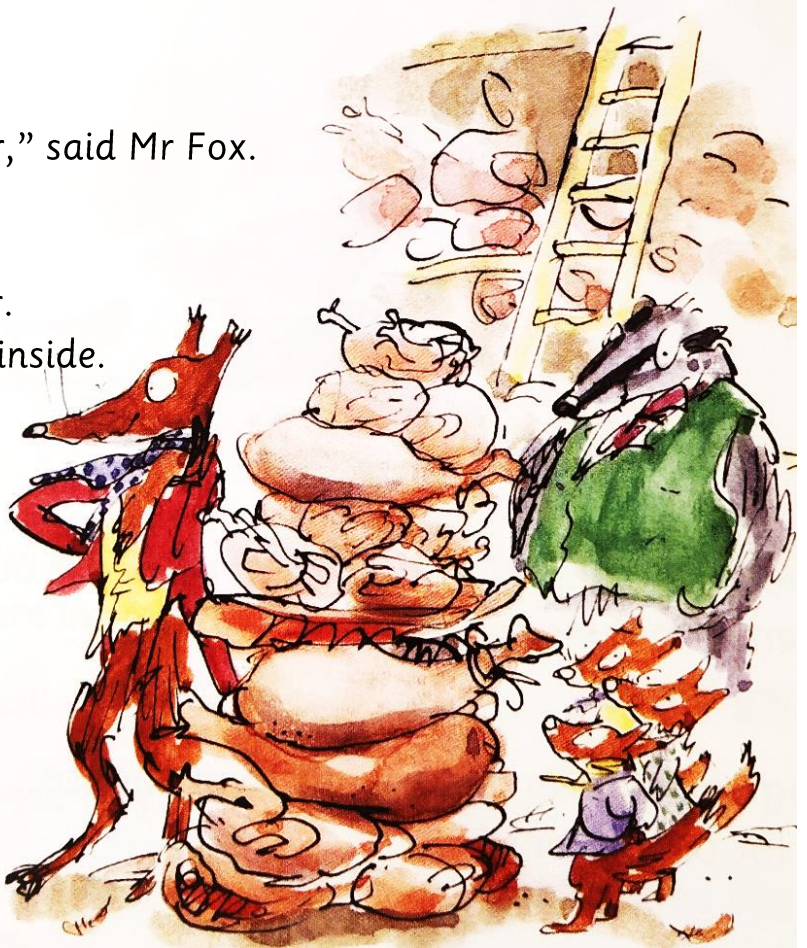

“Help me dig a tunnel first, Badger,” said Mr Fox.

After some more digging,  
they were under a different floor.  
Mr Fox pushed it up and looked inside.

“Yes!” he shouted.  
“Bunce’s storehouse!”

There were hundreds of fat ducks!

“Take some ducks, children.  
And some vegetables.  
The Rabbits are going to be  
at our party and  
they don’t eat meat.”

## CHAPTER 14

Two of the Small Foxes took the food back to their mother.

“Let’s go to Bean’s now,” said Mr Fox.

“But isn’t this wrong?  
We are... stealing,” Badger said.

“Those farmers  
want to kill us, Badger.  
We’re not trying to kill them.  
We want a little food.  
Our children have to eat.”

“Hmmm,” said Badger.  
“Yes, you’re right.”
