

## CHAPTER 15

Mr Fox and Badger dug a third tunnel and came to the wall of an underground room.

Mr Fox pulled out a rock and they went in. There were hundreds of bottles.

“But there’s no food here,” said Badger.

“We’ve got food,” said Mr Fox.

“We’re looking for drinks now.

This is Bean’s cider house.

And his cider tastes wonderful.”

## CHAPTER 16

Suddenly, there was a noise. A big woman was on the stairs!

“Hide!” said Mr Fox. The woman looked round the room.

“There’s a bad smell down here, Mrs Bean,” she shouted.

“Bring the cider up, Mabel,” shouted Mrs Bean.

Mabel took two bottles and went upstairs.

“Take a bottle and let’s go!” said Mr Fox.

And they ran.
