

## Chapter 22 - Muggle-Wump Has an Idea

The Roly-Poly Bird flew into the garden.

“Please, open our cage door!”

Muggle-Wump said.

The Roly-Poly Bird opened the door and the four monkeys jumped out.

“Where can we go, Dad?”

the excited little monkeys cried.

“Wait!” Muggle-Wump said.

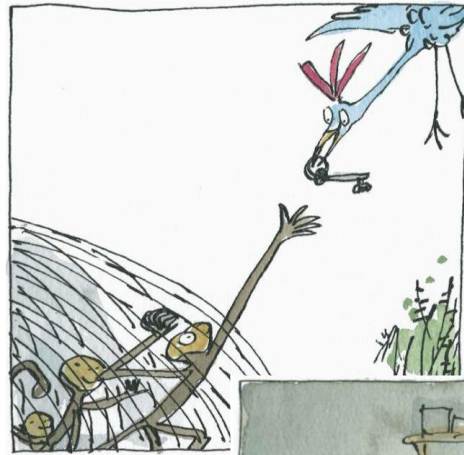

“First, we are going to turn those terrible Twits upside down.”

“How?” asked the Roly-Poly Bird.

Muggle-Wump smiled. “Sometimes, not often, I have a wonderful idea. Let’s find the glue!”

The monkeys and the Roly-Poly Bird

found the glue and took it to the house.

## Chapter 23 - The Great Glue Painting Begins

“Quickly!” said Muggle-Wump.

“Let’s paint glue all over the ceiling!”

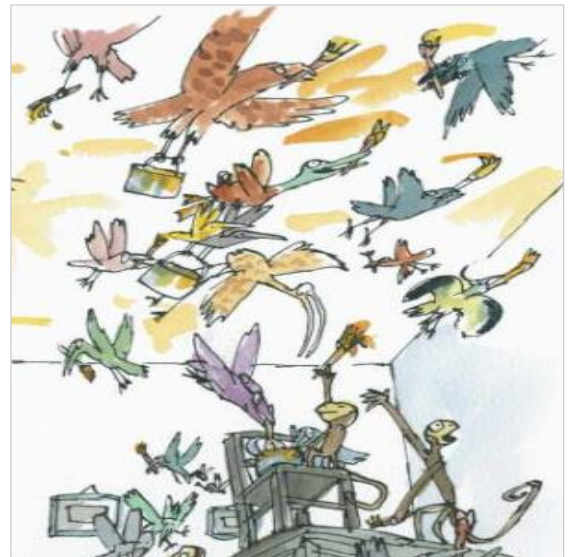

“Why the ceiling?” the little monkeys asked.

“Don’t ask questions!”

Muggle-Wump answered.

“The Twits are coming back with guns!”

More birds flew inside and they helped the monkeys and the Roly-Poly Bird to paint the ceiling.

## Chapter 24-25 - The Furniture Goes Up

“stick the tables and chairs upside down on the ceiling.”

They carried all the things from the floor up to the ceiling and turned the pictures on the walls upside down.
