

Chapter 8 - The Funny Walking Stick

Mr Twit was angry,
but he thought of a really clever trick.
After Mrs Twit went to bed,
he glued a piece of wood
on the bottom of her stick.
He glued a new piece on every night.

“Why is my stick getting longer?”
Mrs Twit asked.
“It’s, not the stick”, Mr Twit laughed.
“It’s you. You are shrinking.”

Chapter 9 - Mrs Twit Has the Shrinks

Mrs Twit sat down. Her feet did not touch the floor.
She did not see
the new pieces of wood on the chair legs.
“What is going to happen to me?” she cried.
“Your head is going to shrink into your body”,
Mr Twit told her. “Next, your body
is going to shrink into your feet.
And then you are going to disappear.”

Chapter 10 - Mrs Twit Gets a Stretching

“What can we do?” Mrs Twit cried.
Mr Twit smiled.
“There is only one answer. I must stretch you!”
He tied Mrs Twit’s feet to the ground
and then tied a hundred balloons
to her hands, arms and hair with string.
The balloons pulled Mrs Twit into the air.
“They are stretching me!” she cried.
“But don’t untie my feet!
I don’t want to fly away!”
Mrs Twit shouted.

This gave Mr Twit a new and wonderful idea.
