

# Weekend's Rule

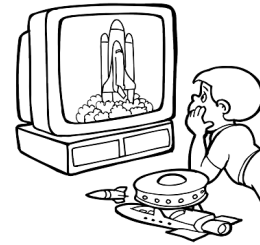

(a poem by Kenn Nesbitt adapted for EAL)

I play with toys, I ride my bike.

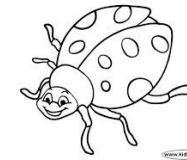

I have a snack, I take a hike.

I read a book, I watch T.V.

I build a fort, I climb a tree.

I play a game and the guitar.

I catch a bug inside a jar.

I call my friends, I dig a hole.

I kick a ball, I score a goal.

I go to swim, I learn to skate.

I surf the web, I stay up late.

I must say, I do like school,

But I like much more weekend's rule!
